# Decorative LED Pendant & Ceiling Mount Fixtures

CLRLM81E26-XX

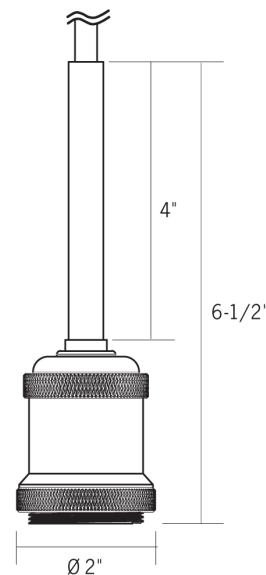

CLRLM81GU24-XX

CLCM81E26-XX

CLCM81GU24-XX

Decorative vintage style pendant and ceiling mount fixtures are designed to showcase the warmth of LED filament lamps.

- Create a classic designer look in any space, by combining LED pendants, LED ceiling mount fixtures, as well as LED Wall Sconces (CLWS81).
- Both come available in brushed nickel or antique brass finishes, and are available with either a medium E26 screw base or GU24 base socket.
- Pendant and ceiling mount fixtures take (1) lamp with E26 Base-60W (equivalent) max. or (1) GU24 Base-26W (equivalent) max. Assorted styles and shapes of lamps available (lamp not included with fixture).
- Optional cone shades are available in three different sizes to add a designer look.
- cCSAus listed to UL Standards
- Pendant includes matching mono-point canopy and offers a standard 16 foot cord to provide flexibility in your design and installation. 16ft. fabric covered cord comes in the following color choices: black, gray, brown or red. Optional mounting options available: track mounting adapter, swag hook or multi-point canopies (choose from 3, 7 or 11 port canopy).

Cone Shade - small (7-7/8" Dia.)

Brushed Nickel - CLCTMC200-NK

Antique Brass - CLCTMC200-AB

Cone Shade - Medium (10-1/4" Dia.)

Brushed Nickel - CLCTMC260-NK

Antique Brass - CLCTMC260-AB

Cone Shade - Large (11-13/16" Dia.)

Brushed Nickel - CLCTMC300-NK

Antique Brass - CLCTMC300-AB
