Decorative LED Wall Sconce

Decorative vintage style sconce designed to showcase the warmth of LED filament lamps.

- Create a classic designer look in any space, by combining LED wall sconces, LED pendants (CLRLM81), as well as LED ceiling mount fixtures (CLCM81).
- Available in brushed nickel or antique brass, and available with either a medium E26 screw base or GU24 base socket.
- Fixture takes (1) lamp with E26 Base-60W (equivalent) max. or GU24 Base-26W (equivalent) max. Assorted styles and shapes of lamps available (lamp not included with fixture).
- cCSAus listed to UL Standards.
